a. Copy and paste your group members in a list format with the group leader and phone number on the top line. You may not have more than 10 members in a group. Groups that have more than 10 members will be sent to the back of the sign-in list.

a. Make sure after you post you don't reply to someone else post. If you reply to a post your group will be automatically sent to the back of the sign-in list.
